

EMERSON HIGH SCHOOL
GARY, INDIANA

THE EMERSONIAN

During this past year, the days have been filled with memories and we have had a wealth of experiences. Our traditions and customs, organizations and social activities, outstanding athletic department, and high academic standards have made the time we put in worthwhile.

We were sorrowed as freshmen and joyed as seniors as we followed the tradition of initiating the freshmen and being the faculty on Senior Day. Thrilling was the moment when we found out that the G.A.A. finally accepted us as members, and proud when we were asked to join the "E" Men's Club and when we were

elected a Student Council member or class officer. Sorry at times and glad at times, we went out and played with all our ability for football, basketball, baseball, and track. How high we lifted our heads when we made Honor Roll and were inducted into the Honor Society. We will never forget how hard we worked to get good grades on our term-papers and final exams. We Seniors and Emersonians have many pleasant experiences to relive.

So that we can relive these wonderful experiences, the Emersonian enthusiastically gives you a look at

EMERSON, OUR SCHOOL

FACULTY

Falling into line in the passing parade of memories are the faculty . . . as diverse in appearance and personality as the classes they taught. Behind desks and before blackboards we thought of them as animated textbooks. Over cokes and under blue football skies we knew them as people. We polished their apple, cribbed their tests, slept through their lectures, cut their classes, and laughed when we got away with it.

Yet we respected them. For eventually we realized that our tricks weren't so new and clever. They had been used by thousands of students in hundreds of schools, and were known by actual practice to the very teachers we sought to deceive. We saw most of our teachers five times a week. We Seniors who are finally on our last lap around Emerson can truly thank the faculty for doing so much for us.

Principal Marion B. England

The educational interest of the students has bettered itself through the years. Each generation or graduation class contributes to the school its unique set of values. The teachers and student leaders must receive the credit for improvement.

Another yearbook has been produced to help perpetuate the memories that have real and lasting values. To the staff we must say, "thank you for a job well done."

Marion B. England

Assistant Principal John H. Smith

Assistant Principal James Pugh

OFFICE STAFF

The office staff of Emerson is the main mechanics of operation. Their jobs vary from selling tickets to making out admits. They are from left to right: Minerva Short, Shirley Franzitta, Sylvia Francis, Maurine Link, Mary Callaway, Shirley Parthun.

Our Emerson faculty is responsible for each student graduating and growing up to be well-educated and well-mannered. Their job doesn't end with teaching the three R's in the classroom, they help guide the students and prepare them for the future along with aiding social events. For the tremendous job they have done in making learning more fun and for providing their experiences and advice, we, the Seniors of Emerson, would like to say, "Thanks."

Freshmen, Sophomores, Juniors, and Seniors . . . the main four classes in Emerson. Sure, there are others, but these are the most important. When you were a Freshman, you began to realize that these were your last four years in school. You wanted to make the most of them. When you were finally a Senior, you looked back and felt sorry for yourself because you felt you haven't done all you wanted to do. But, that's the way

it is. A school is made up of hundreds of different personalities, some good . . . some bad . . . some friends . . . some not. Anyway, they're all a part of Emerson. Many of us will never see each other again after graduation. So that you can look back and remember those you went through school with, the Emersonian proudly gives you a look at Emerson's classes.

EMERSON SALUTES . . .

Sandra Pany
Valedictorian

Tony Juskevice
Salutatorian

Emerson salutes you, Sandy Pany and Tony Juskevice, for your outstanding scholastic ability; you, Tom Bodnar, for your excellent leadership; you, Larry Gajewski,

for your Senior guidance; and you, Mrs. Greenwald, for your generous and untiring interest in Emerson, Our School.

Tom Bodnar
Student Council President

Mrs. Greenwald

Larry Gajewski
Senior Class President

ACTIVITIES

A common term around any high school is "activity." Many students seek them . . . others shun them. Regardless, most of us, from the Student Council President to a "not-a-joiner" type, belonged to some high school organization. Some of us joined by request of our teachers, the purpose being to apply polish. But most of us joined because of the decided value of a

certain amount of extracurricular activity. Whether a member of the band, the various clubs, honoraries, or publication staff, something was to be gained by meeting and planning and working with fellow students who had similar interests. And these organizations accomplished much good.

Thank you to the many leaders of our school.

Mrs. Greenwald, Sponsor, Judy Cerjeski, Sharon Somson, Richard Blaney, Richard Wilmore, Robert Pawlik, Norman Gadja, Liz Ennis, Mikee Nowak, and Gale Bleicher.
SITTING: Bridget Hennessey, Chris Rogers, Pat Farrel, Allen Washko, Tom Corwin.

The executive board of the Student Council elected by the high school students represents the student body of Emerson. It participates in various activities throughout the year such as the Christmas Spirit Drive, S.O.S. Humanity Drive, the constitutional revision, and Senior Day. They also took part in the city-wide council. We hope the Student Council will continue their good work in promoting the welfare of Emerson School.

ART CLUB

J. Pisceczny and B. Franklin holding sign for the Sophomore Hop.

Self expression is the aim of all education. In art a student expresses himself by painting, drawing and the use of colors. An appreciation of art is found by working in an art club and studying the history of art. The art department made Christmas wreaths this year and have made many school signs. The students of Emerson would like to thank the Art Club for the time they have put in making our school more art conscious.

Of course, high school would not have been complete without the sports. (This does not refer to the kind so readily discerned in the halls.) Emerson's athletic program was a source of pleasure and entertainment to hundreds of people . . . both in and out of school. To those who actively participated, there was a keen interest based largely on competition, cooperation, fair play, and healthy living. Those who participated by giving moral (and sometimes physical) sup-

port, reflected a school spirit that embodied fun, fascination, and loyalty, without which high school would not have been high school. When an Emerson fan thinks of sports, he automatically thinks of the ever-loyal, ever-lovin' band and cheerleaders. They act as the magnet that pulls together hundreds of individuals into a unified student body with but one objective—to win.

This year EMERSON had a lack-luster season. Inexperience was a major factor in contributing to what may be called a gloomy season. The following is a synopsis of this year's football games.

In our opening game, we lost to a fast moving Roosevelt team 34-0. The following Friday we met a highly-touted Hobart. Still very green, we bowed to a power packed Hobart, 33-7.

Tolleston was next. We were wondering what we could do to win a game. We seemed to gel a bit, we also outmaneuvered a fast Tolleston secondary to chalk up our first win of the season by downing Tolleston, 19-6.

Being really "up" for the Wallace game didn't seem to help. We could not seem to score and we again lost, this time 33-0. Our next four games didn't help our win column any, for we lost those four, among them, our Homecoming.

Our last game of the season was against a strong South Bend St. Joseph. It was a great way to end the season for we pulled an upset against a respected St. Joseph Eleven, defeating them 13-7.

Two wins and seven losses were this year's season record. We close with this prediction about next year's squad; it will be a colorful team in more ways than one!

The fellows above along with all the underclassmen on the "dressing squad" had a very commendable season of 5 wins, 2 losses, and 1 tie. Best of luck to Coach Szulborski and his "rinks" in the season to come.

CONFERENCE "ROUND ROBIN" CHAMPS

This year's Cross Country team posted a long to be remembered 11-0 conference record! This year's team was the first in EMERSON'S history to take a conference championship.

Also, being conference champs, we were qualified to go downstate. Another first for EMERSON.

Wilson and Farrell were the one and two men on the team respectively, with strong support from Durham, the number three man.

Congratulations to all the boys on the team for bringing the "Round Robin" championship to Emerson.

NORSE THIN CLADS

STANDING, FIRST ROW: L. Jones, R. Farrell, B. Pawlik, G. Schoon, H. Flourney, D. Horton, D. Johnson, D. Bayer, C. Coolman, and J. Wall, Manager. KNEELING, FIRST ROW: J. Petalis, R. Roszkowiak, A. Neely, T. Poupoulos, I. Zanetti, W. Wilson, J. Dabney, F. Morphis, D. Krieter, J. Smith, and T. Torie.

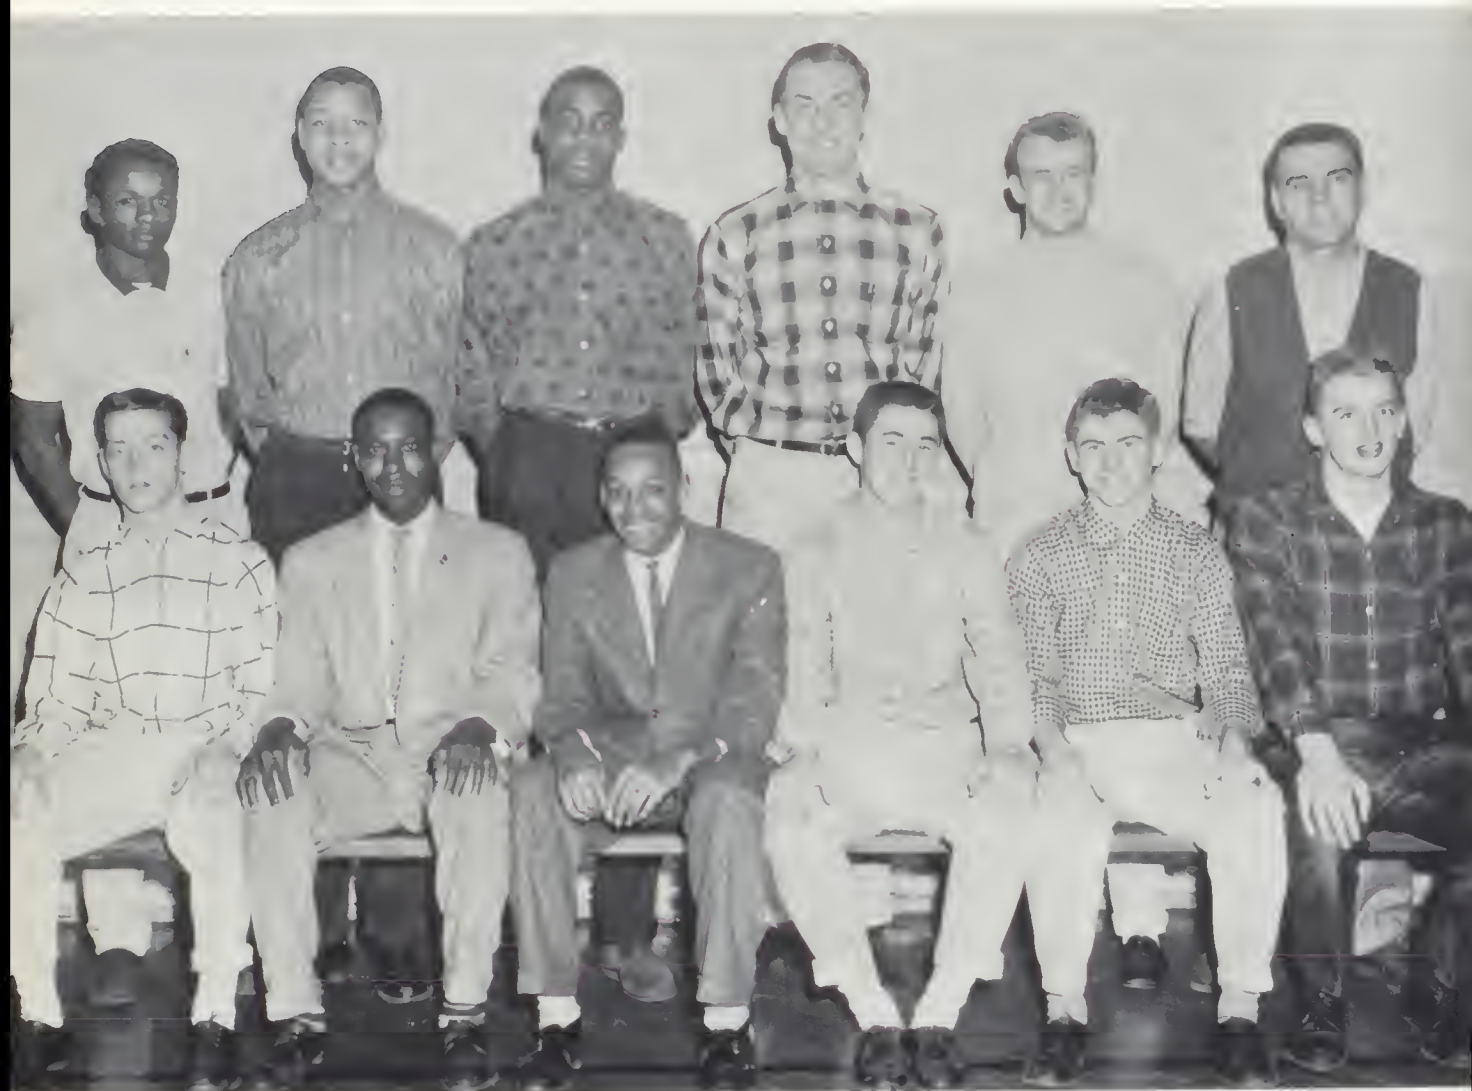

This year Coach Connelly had a good number of returning lettermen in the field and long distance events, but last year's graduation had broken up our relay teams and had taken almost all of our sprinters.

If the boys can produce the needed one, two punch of a relay team and some sprinters, Coach and his thin-clads can look forward to a season with more than their share of victories.

Included in this year's schedule are:

Wallace
Edison
Tolleston
Horace Mann

E. C. Washington
Goshen
Hammond Tech
Whiting

VARSITY—STANDING, left to right: T. Jones, D. Horton, H. Flournoy, J. Piaszeczny, F. Lewis, and Coach Klug. SITTING, left to right: S. Stone, J. Rogers, D. Johnson, A. Clary, E. Charbonneau, and Manager, T. Corwin.

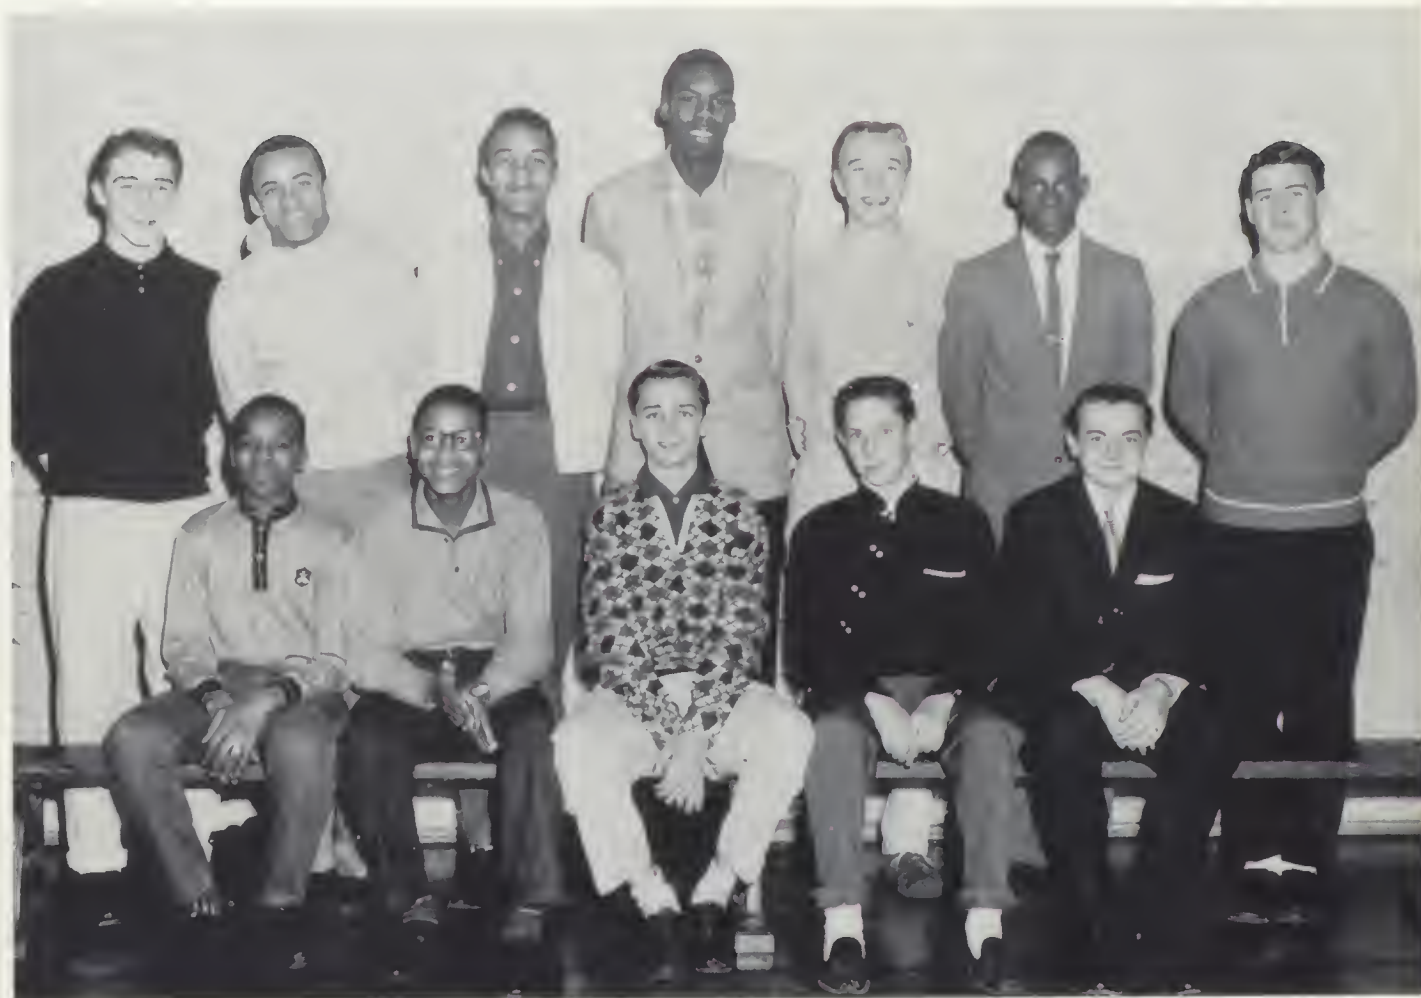

With two wins and seventeen losses, it's evident that this year our Norsemen didn't have a bright season. But, if playing all-out till the final buzzer sounds and losing close ones would count, we'd have a fine season.

One of the Norsemen's victories came over a good Valpo Club, who went to the Regionals. The Norsemen and their fans will long remember that tremendous upset over Valpo.

Through graduation we are losing two starters. The first, Art Clary, a clever playmaker and high scorer, and Don Horton, our big man under the boards.

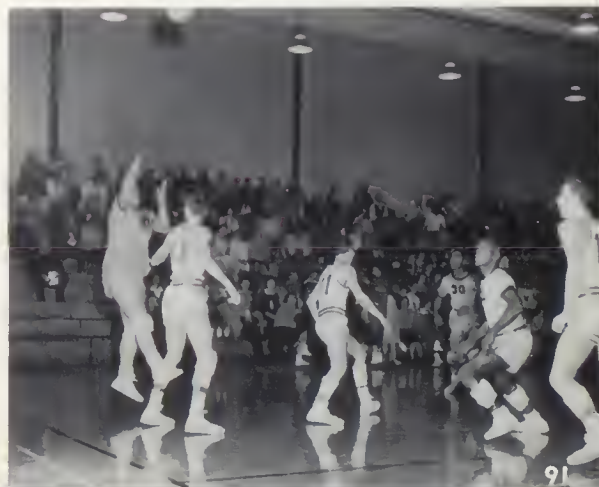

Next year, alumni will probably be watching a team with considerable height, good speed, and plenty of experience.

SCHOOL LIFE

We did love our school life! Defined, that was the time spent during our high school life when we weren't studying, and knew we should have been. Most important of all were the Wednesday night Dances. Recognition should be given to the many who devoted long hours to the thankless job of preparation and planning, and just plain hard work that made many of our social events possible. We had to eat and drink and from this necessity, many of our

local drive-ins and restaurants became familiar sites to us. The little details (all of which will not be related here) were what made our school life a success, and were the incidents that are generally remembered. The warmth of friendship, a witty remark, a funny incident, excitement, relaxation, worry, work, a thousand emotions known only to individuals . . . these made up our school life. We cannot record them for you. We wish we could.
